Character Areas

7. Please include any comments you may have regarding the proposals for the Character areas (including: What else would you like to see? Additional opportunities? Issues not covered? Concerns or queries?)

The Bus Station and Falkland Gardens (page 55 of the SPD)

The Falkland gardens are beautiful and need to be kept as such. People enjoy sitting there in good weather, perhaps near the seating area by the taxi's, make that more eye catching, with new seating. We need a good bus station, indoors for people, along with good facilities.

Gosport Waterfront North of Mumby Road (page 60 of the SPD)

We have the millenium walk, so by Camper Nicholson, I would like to see, a history of Gosport's famous ships etc, done in Mosaic, eye catching and very interesting.

Royal Clarence Yard and the Retained Area (page 61 of the SPD)
North of the High Street (page 64 of the SPD)
The High Street and associated areas (page 67 of the SPD)

The High St needs, book shop, ice-cream parlour, and shops so people can buy essentials, furniture etc and it needs to look less dowdy. (a couple of good eateries.

Character Areas

Please include any comments you may have regarding the proposals for the Character areas (including: What else would you like to see? Additional opportunities? Issues not covered? Concerns or queries?)

South Street (page 70 of the SPD)

Trinity Green area (page 73 of the SPD)

I live in Trinity Green, and I do not wish to see houses built in front of my block and our bit of greenery removed, also the removal of 25 car parking spaces. It would mean we could not have people stay and park in our designated area, plus there would be no privacy.

Haslar Marina (page 77 of the SPD)

The Gosport Lines (page 79 of the SPD)

Some of the ideas are good, if the car parks are removed to build on, what encouragement will this give people to come here.

Overall comments

8. Is there anything in the SPD that particularly concerns you and why?

I am concerned about shops, etc on the front, I feel that the High Street needs some bigger name shops to get people to come here, before waterfront shops are given a thought. We are not Gunwharf and cannot compete with them; there is no need to cross the water to come here.

9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?

We have a cinema in Gunwharfe and Foreham, could we not find an area in the high St area, for some form of entertainment to keep people in Gosport, for the waterfront, maybe a good restaurant,

10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?

I would like to see a new bus station, maybe a smaller version of Portsmouth, this would include, toilets, information Centre, high spec cleanliness, security guards, we are the gateway to Portsmouth etc also if room a couple of good cafes, with seating outside

Any further comments?

11. Please include any comments you may have

If space is needed for more housing, why not the area by the boating lakes. We have little enough green by the waterfront, people quite often sit on the grass in Summer months. Late night restaurants and bars along the front, would create a noise problem for residents. When we had the night club above Coffee One, we were kept awake to 2am over weekends, then the noise of people on the way home. One of the main problems for Gosport is the A32, in the 44 yrs I've lived in Gosport, it has got worse, more housing, more cars. When Sultan closes, there will be more homes built there, please leave our green between Harbour Tower and Hammond alone.
