1. Do you have any comments regarding the Vision?	Hope the vision is for current residents, not to encourage people here for holiday homes. We need more communities, entertainment and pride in OUR town.
2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	Improvements made to the waterfront can only be a good thing, as long as it's based on the economic needs of the people who live here. Not overpriced bistros boutiques etc but down to earth establishments that cater for all genres, ages, etc
3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	Needs to be something to excite our town, not ruin it. Realise we are all equal, would people in Alverstoke be happy if it was on their doorstep, if not, why are their rights more important than the poorer residents of Gosport.
4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	Put our town on the tourist map, bring VISITORS to Gosport
5. Do you have any comments regarding the challenges of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	Obviously traffic links are a major problem. Public transport costs are extortionate in comparison to driving, especially for families. A day to Portsmouth for an average family in Alver valley would cost at least £25 just to get their using the ferry and bus that's not return
Theme A: Creating an Attractive Townscape	Wonderful news
Theme B: Creating New Employment Opportunities	Only good if directed at GOSPORT residents due to poor infrastructure
Theme C: Enhancing the Shopping and Leisure Experience	leisure facilities giving access to all residents would be fantastic.Encouraging more retailers to our town can only be a good thing, I would shop in GOSPORT over anywhere else if possible.
Theme D: Providing New Homes	DO NOT NEED MORE HOMES GOSPORT IS QUICKLY BECOMING A HOUSING ESTATE WE HAVE NO MORE SCHOOLS, DOCTORS, DENTISTS, POLICE ETC
Theme E: Improving Accessibility	Parking is a huge factor. If you have the shopping and leisure facilities the parking needs to be there. A consistent fee e.g. £1 ph wouldn't be so bad if it was worth going there. We have no problem paying charges elsewhere!
Theme F: Improving Public Realm and Green Infrastructure Provision	
Theme G: Managing Flood Risk	
Theme H: Providing Appropriate Infrastructure	How will this happen, no information provided

Theme J: Creating a Healthier Town	Happy people make healthy people, why not make us residents happy!
The Bus Station and Falkland Gardens	Cafes, shops, parks, open areas
Gosport Waterfront North of Mumby Road	Activities for children and adults to access the waterfront, costs?
Royal Clarence Yard and the Retained Area	Schools, small businesses.
North of the High Street	Schools Play areas
The High Street and associated areas	Reasonable rents to encourage growth of businesses
South Street	Schools, play areas
Trinity Green area	Open space, relaxation
Haslar Marina	More public access
The Gosport Lines	Improve infrastructure give us entertainment facilities in GOSPORT so we don't need to leave, e.g., bowling, cinema, play areas, theatre
8. Is there anything in the SPD that particularly concerns you and why?	Seems to be set in stone, listen to the people and what we want in our town
9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	No Stokes bay has so much potential
10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	Make Gosport a town to be proud of, the residents want to be involved why not put it out there. Empty buildings could be used temporarily to encourage small businesses or as short term housing or offices or storage. Ask the people what we want, you never know there may be some great ideas, some offers of help etc
11. Please include any comments you may have	Our local park needs improvements we have a rubbish play park. We are surrounded by children but no facilities. Something like Leesland park would be good! And events could be held on the open land also. This is at Privett Park
