1. Do you have any comments regarding the Vision?	Main concern is that however lovely Gosport is , without better roads people still will not come into Gosport as to queue to get in and out daily is sole destroying , also noticed your survey for parking was done on a sat, have you thought of people who have to come into Gosport to work and the car parks are very expensive to pay daily! We really need better road access before more living accomadation puts hundreds more cars on the road. Also bike parking ! Why not have a bike park that is safe to leave bikes in, instead of coming back to no bike or damaged bike.
