1. Do you have any comments regarding the Vision?	Very hard to comment on the 'vision' when this SPD gives so little detail as to what we are likely to get.
2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
5. Do you have any comments regarding the challenges of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
Theme A: Creating an Attractive Townscape	
Theme B: Creating New Employment Opportunities	
Theme C: Enhancing the Shopping and Leisure Experience	Gosport can not compete with Fareham & Portsmouth, we have missed that boat. So we need to offer something different. Perhaps follow Brightons lead and make the most of the High Streets architecture & history. Encourage small artisan businesses. Provide the opportunity for Street artists to liven up the area. And entice the market traders back with reduced rates.
Theme D: Providing New Homes	For crying out loud. Provide new homes WHEN you can provide us with a working A32. Our small peninsula town simply cannot continue to support more homes without proper thought to access of transport and general infrastructure.

Theme E: Improving Accessibility	Gosport's A32 must be improved in order for our Town to thrive.
Theme F: Improving Public Realm and Green Infrastructure Provision	
Theme G: Managing Flood Risk	
Theme H: Providing Appropriate Infrastructure	
Theme J: Creating a Healthier Town	
The Bus Station and Falkland Gardens	Regarding the Bus Station, Please do not lose this prime spot to developers. I DO NOT wish to see another block of flats on our waterfront. Open up the area to compliment the Ferry Gardens with high class restaurants etc. And use the open space for entertainment and special events. Entice the people of Portsmouth to come over to us for a change.Regarding the Falkland Gardens, other than a spruce up...LEAVE THEM ALONE.

8. Is there anything in the SPD that particularly concerns you and why?	As I've said above, please do not lose the Bus Station site to developers and certainly do not cram another block of flats in its place.
9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	
10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	
11. Please include any comments you may have
