Theme A: Creating an Attractive Townscape	
Theme B: Creating New Employment	
Opportunities	
	New shopping and leisure facilities are a must. Gosport High Street
-	including Stoke Road is an embarrassment. Charity and budget shops ar
	not a requirement to attract visitor/shoppers to the town. I avoid Gospo
	at all costs because there is nothing there. Gosport town is outdated an
	not fit for purpose.
=	Providing new homes in the town centre is a poor idea. Hundreds of new
	homes when there is no infrastructure to accommodate residents is
	unsatisfactory. The improvements to Newgate lane has no effect to the
	traffic congestion and further houses and cars will only make the matter
	worse. (if it can be any worse). I have used Newgate Lane and the A32 t
	work in Fareham for 22 years and the traffic situation is diabolical. No n
	housing until GBC find a solution to the traffic and services in the town!!
