

Gosport Borough Local Plan Examination 4th March 2015
Actions following Hearing Session

At the end of the Hearing Session the Inspector asked Gosport BC to respond to the following additional questions.

Question 4 from the Inspector

What evidence is there to show that other authorities under the PUSH umbrella will be (a) willing; and (b) able to cater for any shortfall in the capacity of Gosport Borough to accommodate its unfulfilled housing requirement following the update of the South Hampshire Strategy?

Question 5 from the Inspector:

Taking into account the figure of 170 dwellings per annum, is the Council's aim for employment growth within the Local Plan supported by sound evidence given the employment projections in the SHMA (2014)?

Answers to be returned to the Inspector by 20th March 2015.
