2.

Early C18 origin from Camons installed in 1795. Formerly the Commander's House. Three-storeys, basement and dormers. Three windows. Hipped tile roof. Brick walls in English bond, blue on north and east side, with red stretches on west. Brick dentil eaves, cambered openings, stone cills, sashes in reveals. Six panelled door with fanlight in recessed plain arch, with impost blocks. The Church in 1748 used for playing and composing by G F Handel.
