The draft Gosport Borough Local Plan 2038 contains a vision, objectives and policies with explanation text. Please use the boxes below to let us know what you are commenting on and whether you support or object along with your comments.

Paragraph/Policy Number: All content

Support or Object? Support

Please summarise why: Better late than never. Should of been looked at 20 years ago.

Roads are and always have been an issue . Employment locally will not make any difference. There are still empty units all around gosport not being used. Making more is ridiculous. More houses more traffic. Roads are a big issue. Even with development going on at stubbington and titchfield, Gosport will still be difficult to get in/out of.
