| 1. Do you have any comments regarding the Vision? | Yes, the Falkland Gardens must be left as they are. |
| 2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | Agree the bus station needs dealing with. |
| 3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | Falkland Gardens must not be tampered with, they are for people to rest, read, contemplate and remember. Also, why take parking places away when you want more people to come to Gosport ? |

| Theme A: Creating an Attractive Townscape | Leave the Falkland Gardens alone, it just needs tidying up and maybe the fountain being replaced, does not need anything else doing to it. |
| Theme B: Creating New Employment Opportunities | attract more businesses to the area |
| Theme C: Enhancing the Shopping and Leisure Experience | more free parking or extend the parking times |
| Theme D: Providing New Homes | use brown field sites first, but also concentrate on the families that are already here and not encouraging more people to move into the area. |
| Theme E: Improving Accessibility | this is too difficult to think about, only one way in and out of Gosport, try to improve public transport and cycling tracks so that people don't ride their bikes on the pavement ! |
| Theme F: Improving Public Realm and Green Infrastructure Provision | plant more trees |
| Theme G: Managing Flood Risk | I am not qualified to comment on this. |
| Theme H: Providing Appropriate Infrastructure | we need a hospital in this area, or make more use of the War Memorial. |
| Theme J: Creating a Healthier Town | encourage more walking and cycling but not on the same pavements !! |
| The Bus Station and Falkland Gardens | improve the bus station or turn it into cafe's and restaurants but leave the Falkland Gardens alone. |
