The Bus Station and Falkland Gardens	I and many others think the gardens should be left alone and any money used to sort the bus station out, flats are not needed, but the view across the Harbour is great from Gosport and should not be used to build apartments, the bus station is disgusting and need rebuilding. We all pay rates for Gosport and so need a council that can do good for all residents. But saying that I don't suppose for one minute Hook and Co will take any notice of the people of Gosport.
