Theme A: Creating an Attractive Townscape	
Theme B: Creating New Employment Opportunities	
Theme C: Enhancing the Shopping and Leisure Experience	
Theme D: Providing New Homes	
Theme E: Improving Accessibility	
Theme F: Improving Public Realm and Green Infrastructure Provision	
Theme G: Managing Flood Risk	
Theme H: Providing Appropriate Infrastructure	

Theme J: Creating a Healthier Town	
The Bus Station and Falkland Gardens	The bus station should be improved and modernised. Falklands Gardens should be left as they are. Residents do not want any more housing built. The toilets at the ferry and Jamaica Place should be reopened, with blue lighting installed to stop drug addicts accessing veins, a toilet attendant, and a used needles bin put somewhere less conspicuous, perhaps somewhere in the bus station. People need to use the toilets - some cannot wait due to illness, or cannot walk as far as the Museum toilets due to disability - it is not a good look to see closed toilets as visitors come off the ferry.
Gosport Waterfront North of Mumby Road	
Royal Clarence Yard and the Retained Area	
North of the High Street	
The High Street and associated areas	We need less charity shops and less coffee shops and more retail shops, ie John Lewis, Debenhams, Littlewoods type shops. Car parks should stay as they are.
South Street	
Trinity Green area	Residents do not want to lose any car parks around this, and other areas.
Haslar Marina	
The Gosport Lines	
8. Is there anything in the SPD that particularly concerns you and why?	
9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	
10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	Yes. Some kind of night shelter for the homeless with washing facilities, so they don't have to use the public toilets for sleeping in. I am aware that they have been offered help with accommodation/drug treatment and that some have declined. A shelter would go some way to improving life for both them and residents/shop owners.
11. Please include any comments you may have	I would like to see more Police patrolling in Gosport. Crimes recently have been rife in the borough and petty criminals know that there are far less Police so they are committing more crimes. I realise that any of these suggestions don't come cheaply or overnight but I hope that you will listen to what residents have to say about our town. This is why politicians were voted in so please, seriously listen to the voice of the people.
