1. Do you have any comments regarding the Vision?	There are already too many people living in Gosport without building more housing. Schools in Gosport can't accomodate the children here, doctors can't accomodate the people here so why would we want more people living here. It's z nightmare getting into and out of Gosport so why would we want more people with more cars.
2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	Bringing more people to the area won't help but will hinder Gosport. It's about time the high st in general is improved and more businesses encouraged into the town
3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	The town is already over populated we don't need more people being housed here. Parking in Gosport is a nightmare so why take away the parking.
4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
5. Do you have any comments regarding the challenges of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	This will only bring more problems to Gosport. Over population of the area. Not enough schools, doctors etc to accomodate more people living here
Theme A: Creating an Attractive Townscape	The town looks good enough as it is so why change it.
Theme B: Creating New Employment Opportunities	It may create a few extra jobs but the plans of bringing more people into Gosport to live will out weigh that
Theme C: Enhancing the Shopping and Leisure Experience	This will not improve my shopping experience. To improve my shopping experience you need to bring in more retailers down the hight street
Theme D: Providing New Homes	We already have too many homes in Gosport. There isn't enough jobs, schools, doctors etc to accomodate more people living in Gosport. More housing means more cars and more traffic. I already struggle to get in and out of Gosport so i totally object to new housing in Gosport
Theme E: Improving Accessibility	The will only result in more traffic in Gosport with nowhere to park
Theme F: Improving Public Realm and Green Infrastructure Provision	
Theme G: Managing Flood Risk	
Theme H: Providing Appropriate Infrastructure	
Theme J: Creating a Healthier Town	This will not improve the town it bring the town to its knees
The Bus Station and Falkland Gardens	I don't want to see any new housing
Gosport Waterfront North of Mumby Road	I don't want to see any new housing
Royal Clarence Yard and the Retained Area	I don't want to see any new housing
North of the High Street	I don't want to see any new housing
The High Street and associated areas	Instead of building housing, encourage retailers into the town. All we have in Gosport is coffee shops and charity shops
South Street	Bring in more retailers. We don't want more housing
Trinity Green area	
Haslar Marina	
The Gosport Lines	
8. Is there anything in the SPD that particularly concerns you and why?	The extra housing which will mean more people coOMG to Gosport so less jobs go go around and not enough schools doctors etc to support the increase of people. The increase of cars
9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	No
10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	No new housing

11. Please include any comments you may have	I object to any new housing in gosport
