| 1. Do you have any comments regarding the Vision? | I do not agree with much that us suggested. |
| 2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | Disagree. We are not Gun Wharf. |
| 3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | The Gardens and Waterfront are nice as they are. |
| 4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | It's not practical. The residents need to have input. |

| Theme A: Creating an Attractive Townscape | It is fine as It is. |
| Theme B: Creating New Employment Opportunities | Disagree. |
| Theme C: Enhancing the Shopping and Leisure Experience | Remember we are a small town. We cannot compete with other retail outlets nearby. |
| Theme D: Providing New Homes | Totally against this idea. |
| Theme E: Improving Accessibility | To what? |
| Theme F: Improving Public Realm and Green Infrastructure Provision | Disagree. |
| Theme G: Managing Flood Risk | No comments. |
| Theme H: Providing Appropriate Infrastructure | No comments. |
| Theme J: Creating a Healthier Town | I did not think the town was unhealthy. You won't change individuals. |

| The Bus Station and Falkland Gardens | I disagree strongly regarding building more flats at or on top of the bus station. Let us have an open space to enjoy the harbour views. Please do not change the Falkland Gardens. It is lovely to sit, relax and look at the views we have. Why not give the residents clear plans on what you want to do with the Falkland Gardens and let the residents decide. |
| Gosport Waterfront North of Mumby Road | No comments. |
| Royal Clarence Yard and the Retained Area | Such a shame this area has never been a success. |
| North of the High Street | No comments. |
| The High Street and associated areas | No comments. |
| South Street | No comments. |
| Trinity Green area | Leave as it is. Lovely area. |
| Haslar Marina | No comments. |
| The Gosport Lines | No comments. |
| 8. Is there anything in the SPD that particularly concerns you and why? | Gosport is a town full of history. It will never attract large retailers into the High Street because it is a small town. Large retailers like to be out of town. Do not need more housing in the town area. Only recently heard of the SPD. People don't know about it. |
| 9. Are there any other sites within the Waterfront and Town Centre area which have potential for development? | No comments. |
| 10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD? | Yes the voice of the Gosport residents. |
| 11. Please include any comments you may have | All seems very underhand. Gosport Council seem to have things cut and dried. |

Dear Sir/Madam

I would like to request that the consultation period is extended by at least a month on the grounds that there are still too many residents who aren't aware of the plans and the consultation.

I believe this is necessary especially as the Chairman of the Economic Development Board Mr Stephen Philpott has stated on video published [on Thursday 22nd June](#) on 'The News' site, that he wants "Anyone and everyone to have their say".

Sincerely
Mrs S A and Mr R L Spence
