| 1. Do you have any comments regarding the Vision? | The vision is excellent. It would however be a good opportunity to knock down the horrible high rise tower blocks in Trinity Green which will always bring down the appearance of the waterfront.. |
| 2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | Only concern is that the A32 currently a nightmare and therefore access in and out of Gosport, irrespective of a new development or not ABSOLUTELY BE IMPROVED.It should also not be over looked that this road is totally horribly disgusting and if this road cannot be totally flattened and rebuilt, then the owners of the properties MUST be made to dramatically improve the exterior appearance of these properties. Gosport is called the Gosport, mostly because of this disgusting dirty horrible road. |
| 3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | No weaknesses, except access MUST be improved |
| 4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | Only to say great, please just get on with it asap. Bars, restaurants. BUT NOT Greggs, pizza hut and other low grade establishments, Bars such as Viktualer and Artys are what is needed. |
| 5. Do you have any comments regarding the challenges of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?) | There will always be challenges, you will never be able to please everyone, again just get on with it. |
| Theme A: Creating an Attractive Townscape | Super, keep the focus on attractive |
| Theme B: Creating New Employment Opportunities | Yes, that is great |
| Theme C: Enhancing the Shopping and Leisure Experience | A must otherwise Gosport will become a dirty, empty ghost town |
| Theme D: Providing New Homes | Yes, but not more council homes |
| Theme E: Improving Accessibility | A TOTAL MUST DO IT NOW |
| Theme F: Improving Public Realm and Green Infrastructure Provision | A TOTAL MUST DO IT NOW |

| | |
|--|---|
| Theme G: Managing Flood Risk | Yes important, but the statistical evidence of bad flooding makes it a very low risk |
| Theme H: Providing Appropriate Infrastructure | A TOTAL MUST DO IT NOW |
| Theme J: Creating a Healthier Town | Will automatically follow with more jobs and a better environment. Please include a lot more cycle paths, but make it safe, do it like the Europeans, put cycle path on the pavements |
| The Bus Station and Falkland Gardens | Bars, restaurants, special shops selling high quality foods, get Marks + Spencer in, high class cheese and wine shops , just as a suggestion |
| Gosport Waterfront North of Mumby Road | More leisure, a swimming pool and dome with interior beaches, just like a holiday camp. Give the kids something to do other than terrorise shoppers on their bikes. |
| Royal Clarence Yard and the Retained Area | Get the retail units filled, open a skittles alley, small cinema. high class wine bar, cafes selling good quality home made food, NOT GREGGS or anything similar. |
| North of the High Street | |
| The High Street and associated areas | High street - just destroy it and start from scratch. Get small apartments for the elderly, plant trees, get rid of poundland, 99p shops, estate agents, etc. |
| South Street | |
| Trinity Green area | Flatten all the high rise tower blocks, they look terrible, stuck in the 50's. If they cannot be demolished get the exteriors of the block dramatically improved. |
| Haslar Marina | |
| The Gosport Lines | |
| 8. Is there anything in the SPD that particularly concerns you and why? | |
| 9. Are there any other sites within the Waterfront and Town Centre area which have potential for development? | |
| 10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD? | |
| 11. Please include any comments you may have | In a nutshell, what we need is better access, improved A32 and a development like Gunwharf and Whitely, beautiful landscaping, bars, restaurants, good high street shops like M+S and Debenhams and something for the kids, a big swimming and pleasure dome. |
