2. Do you have any comments regarding the **strengths** of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

There is a need for social housing, but please build where children can play in safety + elder residents can be secure.

Theme A: Creating an Attractive Townscape (page 19 of the SPD)**Theme B: Creating New Employment Opportunities** (page 26 of the SPD)

Theme C: Enhancing the Shopping and Leisure Experience (page 29 of the SPD)

Please no more coffee shops or food takeaways.

Theme D: Providing New Homes (page 32 of the SPD)

To go back to pre-war, where housing was so very dense in the ferry area, would be a mistake.

Theme E: Improving Accessibility (page 34 of the SPD)**Theme F: Improving Public Realm and Green Infrastructure Provision** (page 40 of the SPD)

Gosport Council should be very proud of the entrance to Gosport from Portsmouth, by Ferry. It is a joy for residents + visitors alike to enjoy

Overall comments

8. Is there anything in the SPD that particularly concerns you and why?

We were both born in Gosport, the unique frontage of the sea front facing Portsmouth, once the quality of the area, is taken away it can never be replaced; do we need to look like Gunwharf?!

9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?

don't think so.

10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?

Any further comments?

11. Please include any comments you may have

The overall need at this present time, before housing, more doctors dentist + out patient clinics in the G.W.M.H.

Then the housing, which I know is very important, but please medical facilities first, otherwise there is going to be a crisis in the health of all residents young + old.

More space available on the back page.
