1. Do you have any comments regarding the Vision?	I am excited to see the vision taking shape. I wonder it might be even further enhanced by more consideration to the role the creative industries might play in developing the life of the town
2. Do you have any comments regarding the strengths of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
3. Do you have any comments regarding the weaknesses of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	
4. Do you have any comments regarding the opportunities of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)	The town centre presents an excellent opportunity transform an re-imagine Gosport as town, not just with a historic past and retail present, but also as a town with creative future. Investment in the arts by working towards providing workshop/studio space would be such a step. Currently some artists live in Gosport and hire studio space in Portsmouth, as with so much, the arts and creativity don't need to go across the water to Portsmouth.
5. Do you have any comments regarding the challenges of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

Theme B: Creating New Employment Opportunities	
Theme C: Enhancing the Shopping and Leisure Experience	Enhancing the leisure experience is vital, perhaps by creating "boutique" spaces, such as using Gosport Precinct as a place of interesting shops/cafes/galleries. With Katie's and Sticks Gallery now there, the potential is great, a craft micro-brewery? A coffee roasters?

Theme F: Improving Public Realm and Green Infrastructure Provision	
Theme G: Managing Flood Risk	
Theme H: Providing Appropriate Infrastructure
