8. Is there anything in the SPD that particularly concerns you and why?	
9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?	
10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?	
11. Please include any comments you may have	My main concern is that the only homes that will be built will be luxury flats, which in my opinion there are too many of. Not all people can afford these, or the part buy part rent schemes. There are many people overcrowding, homeless or awaiting re- homing, can the council help these people before they build luxury flats instead?
