PLANNING SERVICES GOSPORT

19 SEP 2017

We are seeking your views on the Gosport Waterfront and Town Centre SPD which provides the planning framework for this part of the Borough.

A copy of the document is available on the Council's website:

www.gosport.gov.uk/waterfrontspd

If you have any queries regarding the SPD or about making any representations please contact the Planning Policy Section at planning.policy@gosport.gov.uk or telephone **023 9254 5458**

The Comments Form is divided into sections to assist with structuring any comments you may have.

There is a section near the end of the Comments Form (Question 11) which can be used if you require additional space or make comments not covered by the questions included on the form.

Comments will need to be submitted to Gosport Borough Council by **19th September 2017**

Vision (page 5 of the SPD)

1. Do you have any comments regarding the Vision?

There is not enough parking for existing homes in the town centre. The town centre will look like Portsmouth's waterfront, ~~cluttered~~^{cluttered} and unattractive.

Strengths, Weakness, Opportunities and Challenges (page 10 of the SPD)

2. Do you have any comments regarding the **strengths** of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

No strengths, just building squeezed it to a small area,

3. Do you have any comments regarding the **weaknesses** of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

There is no parking. Parking problems already exist. My view of the waterfront will be blocked with the proposed new housing and the bus station being made higher.

Strengths, Weakness, Opportunities and Challenges (page in SPD)

4. Do you have any comments regarding the **opportunities** of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

Without parking there aren't many opportunities to create an interesting town centre. Grunwick was built because HMS Vernon previously was sited there. So it was possible to create parking there.

5. Do you have any comments regarding the **challenges** of the Waterfront and Town Centre area identified in the SPD? (eg. agree, disagree, any additional ones?)

The town centre is unattractive. There are no speciality shops, no butcher or greengrocer. There are people sleeping in doorways.

Character Areas

7. Please include any comments you may have regarding the proposals for the Character areas (including: What else would you like to see? Additional opportunities? Issues not covered? Concerns or queries?)

The Bus Station and Falkland Gardens (page 55 of the SPD)

The bus station needs to be ~~not~~ near the ferry for those visiting QA Hospital leave the Falkland Gardens as it is. It's a nice place for people to sit and enjoy the harbour. For some, it's a place to visit (after watching the ships leave/return from the Falklands) and pay due respect to those who were injured or did not return.

Overall comments

8. Is there anything in the SPD that particularly concerns you and why?

There is a piece of land between Hammond court and Harbour Tower. It looks as though a block of flats is going up between the two towers this would block my view of the waterfront, especially as the bus station is going to be built higher.

9. Are there any other sites within the Waterfront and Town Centre area which have potential for development?

Walpole Park, the football fields (St Georges Barracks/ Boston Road area)

10. Please can you give any suggestions of what else the Council should consider to include in the final version of the SPD?

**Please use back page if you require additional space.*

Any further comments?

11. Please include any comments you may have

looks like the whole waterfront area is going to be blocked out by tall buildings. Hopefully there will still be access for emergency services.
 Haven't seen any plans for doctors' surgeries to handle the increase in population.
 Doesn't seem to be any proposals for parking for any new shopping facilities. (By the way, I've just had my visitor car parking permit cancelled because resident car parking permits have been made a priority). So now I won't be able to have people visit me at home. So, if parking is a problem now, I hope it will be a priority in the future) *More space available on the back page.
