At the 2011 Census Gosport's Estimated Population was 82,622 People. With 35,430 households, Gosport is Ranked 51 out of 348 Local Authorities for Population density, and is by far the most densely populated Authority in Hampshire and that's a fact. With one road in and one road out, No hospital No Police Station, an obesity Problem ~~which~~ ranks us the 6th fattest People in England, Forty three cafes between Gosport Ferry and the Town hall, and not a lot else. Stop off the ferry and you will be met by homeless couples sleeping in shop doorways, the water front with groups swearing, drinking and other choice activities to cruce to mention. The bus station which is a no go area at night because of anti social behaviour, it is a nightmare. I know I live at Harbour tower. More houses, More eateries less parking. The Planning officers need to re-think and Quickly. The Police, PCSO need to be pro-active and deal with whats going on under their noses. They are never out a about at night along the Promenard. Gosports High Street is intimidating, this needs to be addressed before anyone will come to visit, Let alone live on an already grid locked Peninsula.
